

GIS Day

Wednesday, November 19, 2008

GIS Day is a worldwide event
in which users of GIS technology open their
doors to schools, businesses, and the general public.

To host a GIS Day event
at your site, register online at

www.gisday.com

Sponsored by

National Geographic Society, The Association of American Geographers,
University Consortium for Geographic Information Science, Sun Microsystems,
Hewlett-Packard, and ESRI in association with Geography Awareness Week

The LIBRARY of CONGRESS
